

Speakers List

Illinois Natural History Survey: INHS offers a speakers bureau as a public service to the citizens of Illinois. More than 20 scientists are available to talk to groups ranging in age from kindergartner through senior citizen on virtually any topic concerning the biological resources of Illinois.

(Visit <http://www.inhs.uiuc.edu/outreach/speakersBureau.htm> for more information)

University of Illinois Wildlife Medical Clinic: Six resident birds of prey serve as "ambassadors" for their species and are available for programs at your school, museum, or event. (Visit http://www.cvm.uiuc.edu/wmc/pr_visits.html for more information)

Hoo Haven Wildlife (Durand, IL): "Hoo" Haven is dedicated to rehabilitating and releasing, sick, injured and orphaned, North American Wildlife. (Visit www.hoohaven.org for more information)

U.S. Fish and Wildlife Service: The mission of USFWS is to work with others to conserve, protect and enhance fish, wildlife and plants and their habitats for the continuing benefit of the American people. Contact Cyndi Duda at (847)381-2253, ext. 13 or cyndi_duda@fws.gov for more information.

Brian "Fox" Ellis: professional storyteller who impersonates John James Audubon. He has several hours of bird tales for bird festivals and migratory bird days. (Visit <http://www.foxtalesint.com/Performances> for more information)
